🧩 CAREER OBJECTIVE

Highly motivated Master of Computer Applications (MCA) student with strong programming skills in Python and hands-on experience in full-stack and backend development. Gained practical exposure through a virtual internship with IBM and personal projects involving Python, Flask, and database management using MySQL and MongoDB. Proficient in building efficient, scalable, and maintainable applications with a focus on clean code and performance optimization.

🧩 SOFT SKILLS

- Leadership
- Critical Thinking
- Decision Making
- Problem Solving

🎓 EDUCATION

Master of Computer Applications
2024 – present | Barasat, West Bengal
Brainware University
CGPA: 9.02

Bachelor of Science
2020 – 2023 | Kolkata, West Bengal
Acharya Jagadish Chandra Bose College
CGPA: 7.3

Intermediate in Science
CISCE
2020 | Kolkata, West Bengal
Loyola High School
Percentage: 74.5%

Matriculation
CISCE
2018 | Kolkata, West Bengal
Loyola High School
Percentage: 66%

🧩 TECHNICAL SKILLS

Programming Languages — Python │ Java (Basic)

Web Technologies — HTML, CSS, JavaScript, PHP

Database — MySQL, Oracle, MongoDB

Tools & Platforms — VS Code, PyCharm, IntelliJ IDEA, XAMPP, Microsoft Excel, Google Sheets

💼 INTERNSHIPS

Full Stack Developer
IBM (Virtual PBEL Program)
07/2025 – 08/2025

- Gained foundational Full-Stack Development experience through the virtual Program-Based Experiential Learning (PBEL) program.
- Applied proficiency in core web technologies including HTML, CSS, JavaScript, and database management.
- Developed a full-stack application titled **"Personal Expense Tracker"** during the program.
- Utilized key technologies including Node.js, MongoDB, HTML, CSS, and JavaScript.

Artificial Intelligence Intern
Samsung Innovation Campus (SIC)
09/2025 – 11/2025

- Successfully completed an intensive **Artificial Intelligence training program** under Samsung Innovation Campus.
- Gained hands-on exposure to **machine learning concepts, data preprocessing, model building, and AI fundamentals**.
- Worked on practical exercises and projects aligned with real-world problem solving.
- Certified by **Samsung Innovation Campus & ESSCI**.

CERTIFICATES

PBEL Equivalent to Virtual Internship – Full Stack Development ⌕
- **Issued by:** IBM Learning | **Powered by:** IBM Skills Network
- **Issued on:** November 12, 2025
- **Description:** Completed all courses in the IBM learning path covering front-end, back-end, databases, and deployment, gaining hands-on experience in full stack development.

Front End Technologies (CEFETIIN) Certificate ⌕
- **Issued by**: IBM Learning
- **Date**: October 3, 2025

Generative AI Mastermind
- **Issuing Authority:** Outskill
- **Date Completed:** October 20, 2025
- **Details:** Successfully completed an in-depth course on Generative AI principles, applications, and advanced techniques.

Artificial Intelligence Intern
Issued by: Samsung Innovation Campus
Issued on: November, 2025
- Hands-on training in machine learning and AI fundamentals
- Practical implementation of data preprocessing and model development

PROJECTS

Personal Expense Tracker ⌕
Full Stack Developer
07/2025 – 08/2025
- Contributed to the design and development of a **Personal Expense Tracker** system.
- Developed a responsive User Interface using **HTML, CSS, and vanilla JavaScript**.
- **Integrated** a backend using **Node.js** and leveraged **MongoDB** with **Mongoose** to handle secure data persistence and storage for user profiles and expense records.
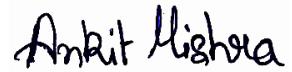

AI ChatBot Development ⌕
2025
- **Role:** Lead Developer
- **Technologies:** Python (OpenAI API, Flask), HTML, CSS, JavaScript
- **Description:** Developed and deployed a full-stack, responsive AI ChatBot application utilizing the **OpenAI API** for natural language processing and generation.
- Designed and implemented a server-side backend with **Flask** (Python) to manage API requests and maintain conversation state.
- Created a dynamic and user-friendly frontend using **HTML, CSS, and JavaScript** to provide a seamless user experience.

DECLARATION

I hereby declare that the information provided above is true and correct to the best of my knowledge and belief.
